About Wingly.

Wingly is Europe's leading flight sharing platform. We connect private pilots with passengers so they can share the cost and the passion of a flight. Founded in July 2015, have already connected thousands of people, making flying accessible again.

Who are we looking for?

- Native speaker of German, and a full professional proficiency in English. (French or other languages is a plus)
- Bachelor or Master in Business, Marketing or equivalent
- Passion for aviation, and experience in startups.
- Highly motivated, and autonomous team player.
- Big plus: Private Pilot License, Aircraft ownership, Adobe Photoshop skills.

Your Job will consist of:

- Growth of the German-speaking region
- Customer Relationship Management for DACH-Region
- Business Development (Strategic Partnerships & Platform Growth)
- Communication and Marketing for Wingly (Social Media / Events)
- Market Analysis and Strategic Planning

Why join wingly?

Wingly is an international team of people who are passionate about aviation, and who are promoters of the collaborative economy. Joining us means living the start-up experience at its best. We work hard, but also enjoy our team activities such as flights aboard light aircraft and helicopters. Our headquarters are located at an incubator in the heart of Paris, next to the Jardin du Luxembourg, within an open-space of focus and creativity, surrounded by a plethora of other startups.
