

The Flight Sharing Platform

## France & UK Business Developer and Community Manager Agoranov Incubator – Paris

**Sector:** Web Service, Sharing Economy and Light Aviation

**Position type:** 6 months internship

**Required profile:** Business development / marketing

**Beginning from:** February 2016

**Remuneration:** According to profile

**Location:** Paris 6th Arrondissement (Agoranov Incubator)

### What is Wingly?

**Wingly** is Europe's leading flight sharing platform. We connect private pilots with passengers so they can share the cost and the passion of a flight. Founded in July 2015, we have already connected thousands of people, making flying accessible again.

### Who are we looking for?

- Bilingual in English and French
- Doing a Bachelor or Master in Business or Aviation, Marketing or equivalent
- Strong interest in the start-up world
- High motivation and autonomy, excellent team player
- Knowledge of the Adobe Creative Suite: Photoshop, InDesign
- Having a pilot licence is a big plus 😊

### Your Job:

- You will work directly with the founders team
- You will be in charge of expanding the business of Wingly in the UK and France
- You will be involved in strategy and decision making
- You will work on communication and marketing for Wingly
- You will manage our social media channels in the UK and France
- You will do some customer support

### Why join Wingly?

Wingly is an international team of people who are passionate about aviation, and who are promoters of the collaborative economy. Joining us means living the start-up experience at its best. We work hard, but also enjoy our team activities such as flights aboard light aircraft and helicopters. Our headquarters are located at an incubator in the heart of Paris, next to the Jardin du Luxembourg, within an open-space of focus and creativity, surrounded by a plethora of other startups.
